

About Us

Arista is a commercial insurance provider specialising in property, liability and motor insurance protection for businesses throughout the UK.

We offer a different perspective on commercial insurance; designing our processes around our brokers' needs to reduce their frictional costs, whilst at the same time delivering financial security and stability to policyholders.

Dedicated to providing commercial insurance through regional brokers, Arista does not deal direct.

Arista Security

Arista arranges insurance for commercial property, liability and motor classes of business which are underwritten by Ageas Insurance Limited (AIL) and certain underwriters at Lloyd's. As a result, policyholders benefit from the overall financial strength rating given to Lloyd's of A+ (Strong) from Standard & Poor's, an AA- (Very Strong) from Fitch Ratings and A (Excellent) from A.M. Best and to AIL of A from Standard & Poor's, an A+ (Very Strong) from Fitch Ratings

Our Partners

Arista is a trading name of Geo Underwriting Services Limited

Arista is supported by Ageas Insurance Limited and Lloyd's insurance underwriting business Arch and Markel; as insurers of the core underwriting capacity for commercial property, liability and Ageas Insurance Limited for motor classes of business.

Arista is also delegated authority holder for ARAG plc, HSB Engineering Insurance Limited and Hiscox Insurance Company Limited for other classes of insurance

Managing Excellence

Our management team is based at the heart of the insurance district in London.

We service our key broker markets through expert underwriting teams based across the UK at a number of regional offices.

Since we began trading in 2007, we have invested heavily in recruiting the right insurance professionals who will exceed expectations and establish close relationships with our brokers wherever they are based.
